★★★★ “*From A Room* is strikingly focused, sonically and thematically.”—*Rolling Stone*

Chris Stapleton’s highly anticipated new album, *From A Room: Volume 1*, is out today on Mercury Records Nashville (available [here](#)).

Released to widespread acclaim, *The New York Times* recently profiled Stapleton and his wife and collaborator, **Morgane Stapleton** (read the full story [here](#)). Of the couple, *The Times*’ Jon Caramanica praises, “The dynamic between the two is one of country’s great treats, a vivid display of affection that elevates their music.” He goes on to assert, “Like *Traveller*, *From A Room* is earthen, rich with tradition, has a tactile intensity and is carefully measured.”

In celebration of the release, Stapleton will debut new music on NBC’s “**The Tonight Show Starring Jimmy Fallon**” this coming Monday, May 8 and will be a guest on Sirius/XM’s “**Howard Stern Show**” on Tuesday, May 9. Stapleton also recently sat down with **Beats 1** for an in-depth interview filmed at RCA Studio A. Watch the full interview [here](#).

Additionally, “**Chris Stapleton’s All-American Road Show**” tour kicks off tonight with back-to-back sold out shows in Alpharetta, GA and will span throughout 2017 with ten additional shows announcing today. The new dates include performances in Houston, Dallas, Tampa and Omaha as well as a very special hometown show at Nashville, TN’s Bridgestone Arena on October 13. Exclusive Stapleton Fan Club pre-sales will begin next Tuesday, May 9 at 10:00am

local time. For more information visit [www.stapletonfanclub.com](http://www.stapletonfanclub.com). Public tickets for the newly announced concerts begin Friday, May 12 at 10:00am local time. Live Nation is the national tour promoter for the “All-American Road Show.”

Citi® is the official credit card of the “All-American Road Show” tour. Citi cardmembers will have access to presale tickets through Citi’s Private Pass Program® beginning Tuesday, May 9 at 10:00am local. For complete presale details visit [www.citiprivatepass.com](http://www.citiprivatepass.com).

Special guests for the extensive tour include Brothers Osborne, Lucie Silvas, Anderson East, Brent Cobb, Margo Price and Marty Stuart. Of a recent performance, the *Seattle Times* declares, “...Stapleton dazzled the sold-out crowd with a barrage of songs that defy easy categorization while receiving the kind of deafening cheers reserved for superstars.”

*From A Room: Volume 1* is the first new music from Stapleton since 2015’s breakthrough double Platinum solo debut *Traveller* and will be followed by *From A Room: Volume 2*—coming later this year.

The album takes its name from Nashville’s historic RCA Studio A, where it was recorded during the winter of 2016-17. Once again produced by Grammy Award-winning producer **Dave Cobb**, *Volume 1* features eight original songs as well as “Last Thing I Needed, First Thing This Morning,” which was written by Gary P. Nunn and Donna Sioux Farar and made famous by Willie Nelson. Additional highlights on the album include the album’s first radio single, “Either Way.”

In addition to Stapleton on vocals and guitar and Cobb on acoustic guitar, the album features **Morgane Stapleton** on harmony vocals as well as longtime band-members **J.T. Cure** on bass and **Derek Mixon** on drums and musicians **Mickey Raphael** on harmonica, **Robby Turner** on pedal steel and **Mike Webb** on keys.

The May 5 release of *Volume 1* comes exactly two years to the day since the release of *Traveller*. Released to immediate widespread critical acclaim, the album had one of the best-selling first weeks by a debut country artist in 2015. Following a historic turn on the 49th Annual CMA Awards—where Stapleton became the first artist to win Album of the Year, Male Vocalist of the Year and New Artist of the Year at the same awards – *Traveller* became the first album to re-enter the *Billboard* 200 all-genre album chart at No. 1, where it stayed for two straight weeks. The critically acclaimed album went on to win multiple Grammy and ACM Awards and was the #1 selling Country album of 2016 and the fourth-highest selling album of 2016 across all genres. Additionally, in the past two years, Stapleton has performed on multiple national TV shows including “Saturday Night Live,” “The Tonight Show Starring Jimmy Fallon” and “The Late Show with Stephen Colbert” and was profiled on “CBS News Sunday Morning.”
